Colouring pens

### Step 1:

Draw body pieces on card

Need body with head, two top bits of arms, two bottom bits of arms, two top bits of legs and two bottom bits of legs

Make them as big as you can

Cut them out carefully

### Step 2:

Make a hole in the different body pieces

Four holes in the body for the arms and legs

Two holes in the upper legs and arms

One hole in the lower arms and legs

### Step 3:

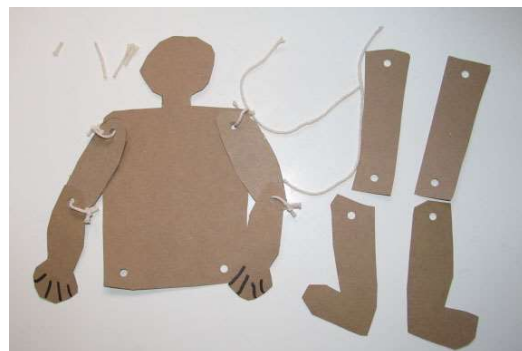

Start tying the body pieces together

Use quite a long piece of string as it makes tying it easier

Keep the string quite loose, so the joints move easily

You can trim the string once it is tied

Draw on the face and fingers

You can colour in your person in your favourite colours or clothes

Your wonderful person is ready to dance
